

WE'VE GOT YOU COVERED

QMC Technologies, Inc - a Family Owned & Operated Company Since 1976!

We're not a large corporation and our employees aren't just a number. In fact it's the opposite. We value each individuals daily contributions and we recognize them! We take your successes and accomplishments to heart and we take pride in our team!

We manufacture products for various industries, which provides strong career stability for our team members!

When our company succeeds- so do you. That's what our gain-sharing program is all about. Working together as a team and giving back to the people that keep our company moving forward, our spindles turning and our customers satisfied. We also know you value your time outside of work. Here at QMC we have weekends off and paid holidays!
